

WORLD CONTINENTS

Ancient Civilizations Mapping

Please follow the directions below to complete your world map of civilizations we have studied so far. Use the atlas maps and chapter maps to accurately complete the map.

1. Locate, color & label the area of Ancient Egypt red.
 - a. Draw in the major river that flows through Egypt and outline it in blue. Be sure to label them.

2. Locate, color & label the area of Ancient Israel green.

3. Locate, color & label the area of Ancient Mesopotamia yellow.
 - a. Draw in the two major rivers that flow through it and outline them in blue. Be sure to label them.

4. Locate, color & label the area of Ancient India purple.
 - a. Draw in the two major rivers that flow through it and outline them in blue. Be sure to label them.

5. Locate, color & label the area of Ancient China orange.
 - a. Use the map on pg. 277 in your textbook to draw in the two major rivers in China (Yellow & Yangtze Rivers). Be sure to outline them in blue and label them.
