

## Where in the World is Egypt?

Name: \_\_\_\_\_ Class: \_\_\_\_\_

Ancient Egypt once occupied much of the region now within the borders of the modern nation of Egypt. To learn about the country of Egypt, complete the following activities:

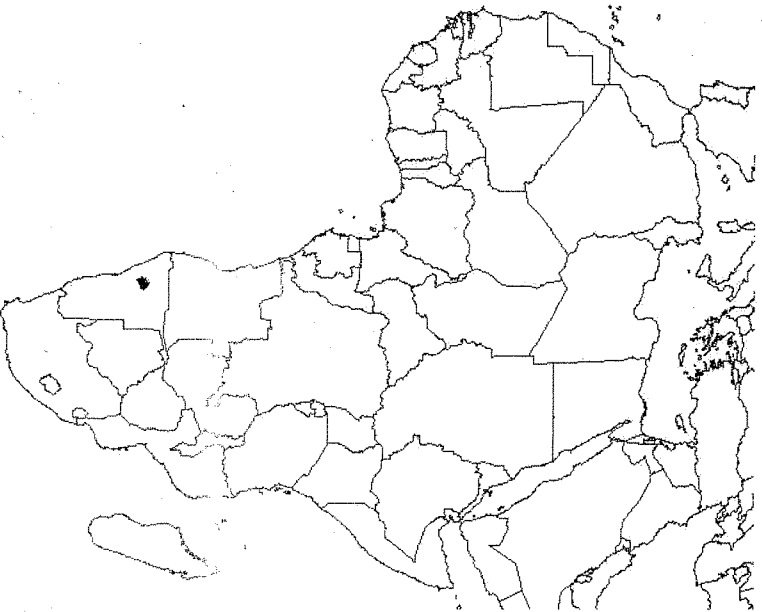

### Where in the World is Africa?

Egypt is located on the continent of Africa. Using the Nystrom Atlas, pg. 10, colour your continent Red. Then colour the continent of Africa Green

### Where in Africa is Egypt?

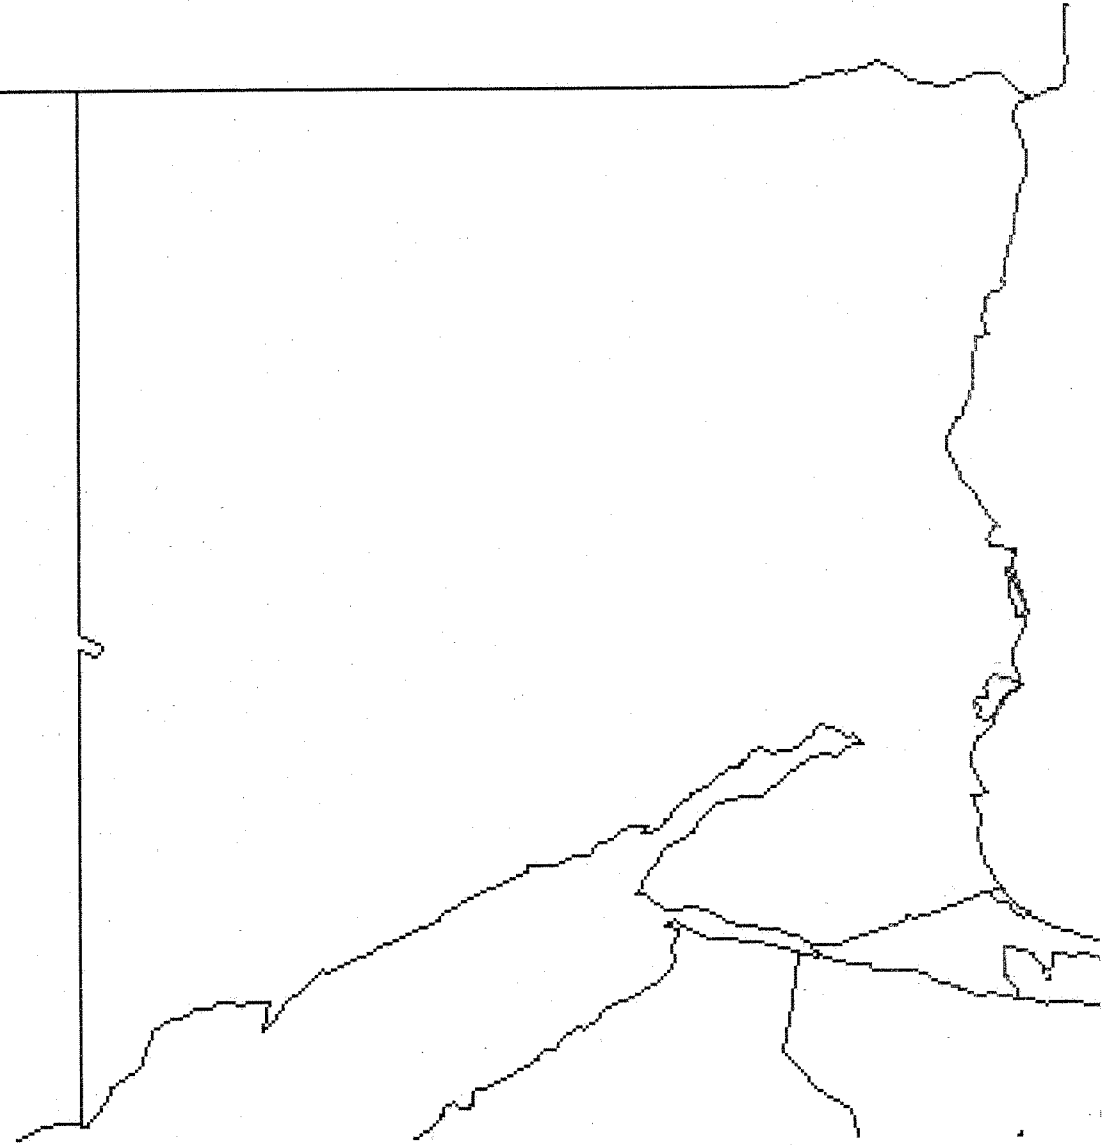

Egypt is located on the continent of Africa. Using the Nystrom Atlas, pg. 99, colour Egypt light brown and the rest of the continent green.

## Ancient Egypt Mapping

Use the map on pg. 157 in your textbook to label the following.

- The Nile River
- Nile Delta
- Red Sea
- Mediterranean Sea
- Upper Egypt
- Lower Egypt

After you are done, you may color the map & then you should answer the following question in complete sentences.

How are the locations of Mesopotamia & Egypt similar? Why do you think they are this way?
